

三菱发电机组Mitsubishi generator

Contact: Richie Chen

Mobile: +86 13070790688

Mail: bcjx02@hotmail.com

Voltage	400V/720r/min
Frequency	60Hz
Power factor	0.8
Phase	Three Phase Four Wire
Protection degree	IP23
Insulation Class	H
Efficiency more than	85%
Generator passed CE certificate	CE
Generator passed ISO certificate	ISO
Generator passed SONCAP certificate	SONCAP

Generator Mode		CCFJ1000J-W1000GF	
Generator Type		Standard	
FOB US Unit Price		\$203,225	
Optional Parts		ATS: Add+US\$4,193	Container Silent Box: Add+US\$7,58
Rated Power (Kw)		1000	
Standby Power(Kw)		1100	
Rated current(A)		1803	
Overall Dimension	length	6950	
	width	3080	
	height	2500	
brand	ZICHAJ Power		
Model	LB8250ZLD-1		
type	water-cooling, 4 cylinders, direct injection		
Revolving Speed (r/min)	720		
Rated Power(KW)	1103		
Lntake Type	turbo charger		
No.of Cylinder	8		

Diesel Engine	Bore*Stroke	250*320
	Rated Fuel Consumption(L/Kw.h)	198
	Lub oilCapacity(L/Kw.h)	1.0
	Compression Ratio	12.5
	Mechanical Governor Rate	≤5%
	Electronic Governor Rate	≤1%
	The steady stateregulation	0-5% adjustable
	Turning	counterclockwise rotation
	Start model	air starting system
	Speed Adjusting	Electric Adjusting
Electric Generator	brand	WuXiXingNuo
	Model	XN6G
	Rated Power(Kw)	1000
	Voltage regulation rate	≅±1
	Excitation way	Brushless motivated
	Insulation class	H
Others	Certification	ISO, CE
	Delivery time	10 days after order
	Payment terms	TT
	Configuration	Diesel engien, electric generator, contril system, independent oil tank, documents,etc.
	Carranty period	1 year Or 1500 Hours.
